## Group Roles

Role	What They Do	What They May Say
The Starter	Helps start discussion  Brings up new ideas	We have to decide which band we want. I think we should look at this.
The Reviewer	Brings group up-to-date  Points out differences of opinion	It sounds like we're making progress. Most of us want a rock band, but some want country music.
The Peacemaker	Settles differences and arguments Relieves tension, sometimes by cracking jokes	Let's find a way to combine both ideas. That reminds me of a story.
The Follower	Just goes along with everyone else	I don't care. Let's do whatever the rest of you think.
The Clown	Spends most of the time fooling around	How about finding a sexy all-girl band?
The Blocker	Always disagrees with the group	You're all wrong.
The Dictator	Tries to control the group; bosses people around	Now you listen to me. This is the only way to do it.
